***You will be completing PART ONE ONLY! Part One Knowledge: Basic Reflection***

**Information regarding Part One of the Star Assessment:** The Star Assessment will be sent to you when you enroll in MNU’s Rise Up Course. The questions on the reflection are provided to guide you through the processing of knowledge acquired in the workshop and to facilitate the **application** of this new knowledge to your work environment.

Part one of this worksheet has four sections, the first beginning with a **summary of key information** presented and moving to three sections all synthesizing how to apply the information gained in the workshop to further the profession and field of education as well as one’s classroom achievement.

**To receive an “A”, complete all sections** of the worksheet, answering the question/prompt presented. Completing three of the four sections, results in an official grade of a “B.”

Reflection forms with fewer than three sections complete will result in a non-grade (grades C and below will not be issued). Reflections should be written in Times New Roman, 12-point font, and composed in complete sentences with proper grammar. **Each response should be a minimum of 250 words.**
